CAMPS

Camp Photographer

Qualifications:

- Experience making short promotional slideshows
- Experience working in a camp environment is highly preferred
- Ability to work independently and flexibly

Role: Camp photographer is a vital role in our camp structure. He or she should be ready to go from activity to activity each day to try to get at least one good photo of every camper, every day. The campers are always excited to see the photographer. We also occasionally have events that you would go to and get extra shots of the campers. The photographer is responsible for uploading their photos daily, and for making a 3-5 minute slideshow to play for campers every 2 weeks.

Responsibilities:

- Capture daily photographs of campers in both scheduled activities and unstructured moments
- Upload daily photos
- Edit and produce slideshows summarizing the Next Level experience
- Performs duties in an efficient and independent manner with minimal supervision
- Demonstrates ability to prioritize and organize time; maintains physical environment in an effective, organized manner
- Attends staff meetings as scheduled
- Accepts additional duties as assigned by the Camp Directors

About Next Level Camps

Next Level Camps empower boys and girls entering grades one through nine to “Learn. Commit. Achieve.”. Next Level Camp for Girls and Next Level Camp for Boys offer unforgettable summer day camp experiences that blend sports, academics, unique electives and special events to develop character, confidence, leadership and life skills. Next Level’s skill-based approach encourages campers of all abilities to pursue their interests and explore new activities in programs customized to each child’s needs, with many convenient registration options to help families optimize their summer schedules.
